

Temple Shalom

# SHALOM SPECTACULAR

Temple Shalom is launching Shalom Spectacular, a five-day cirque experience designed to bring families together for something joyful, memorable, and uniquely local. 11 performances across 5 days, the event creates an intimate, high-energy environment for children, parents, and grandparents alike.

## OUR VISION

To establish a signature annual event that becomes part of the rhythm of our community.

Proceeds from Shalom Spectacular directly support the launch of Temple Shalom's new community early childhood center—expanding access to high-quality learning and strengthening connections among young families.

Your sponsorship helps create both:

- A meaningful community experience
- A lasting investment in early childhood education

## Signature Visibility

This is what makes this opportunity different. Sponsors are featured on custom signage along Temple Shalom's Hillcrest-facing fence:

- ~37,000 cars pass daily
- 30+ days of visibility before and during the event
- Positioned directly along a major North Dallas corridor

This is not just event recognition—it's sustained, high-traffic exposure.
