

Dear Parents:

The following are the policies regarding Temple Shalom Religious School fees:

**TEMPLE SHALOM**  
**RELIGIOUS SCHOOL REGISTRATION POLICY**

1. It is the policy of Temple Shalom to provide high quality Jewish educational opportunities for children and to achieve this goal in a fiscally responsible manner. Our budget for the religious school requires all members to be in good standing and current on all financial obligations to the Temple at the time religious school begins and:
  - a) Religious School entrance paperwork must be completed and returned to the Lifelong Learning Office before religious school semester; and
  - b) All financial commitments to Temple Shalom must be current at the time of registration, and remain current throughout the year.
2. Students will be assigned to classrooms upon the completion of these requirements.

Sincerely,

Temple Shalom Board of Trustees
