

Temple Shalom Tots Academy

9:30-11:00am

Temple Shalom Tots Academy is the perfect introduction to learning. One morning each month, children (2-4 years old) and their parents enjoy classes filled with hands-on learning through painting, playdough, arts and crafts, singing, dancing, yoga and cooking. These fun-filled lessons are based on a Jewish holiday or Torah portion. Tots Academy is led by Temple Shalom member Melinda Hepworth, who has a degree in Early Childhood Education and strives to make each class educational and fun for both children and parents.
