## BELONGING COMMITMENT 2021-2022

- The Belonging Commitment (fiscal) year is June 1st through May 31st. Belonging Commitment amounts may be paid annually, semi-annually, quarterly or monthly. Pro-ration of commitment amounts can begin after the High Holy Days.
- After the age of 35, a building fund pledge of \$1,800 is required. If requested, arrangements may be made to pay this pledge over a period not to exceed six years from the date of joining. If the member has paid a building fund at another congregation within the past three years, that amount will be credited toward the \$1,800. If a former member rejoins, the difference between the building fund amount at the time of affiliation and the \$1,800 will be due. This only applies to the Seniors and Standard Belonging categories. **All building fund payments will be deferred until June 2022.**
- The annual fee for security and major repairs is \$270 and applies only to the Seniors, Standard and Young Adults (30-34 years) categories.
- Tickets for the High Holy Days will be issued when at least fifty percent (50%) of the member's annual Belonging Commitment has been paid, or if the member has established an accepted payment plan.
