

# Religious School News

MARCH 3, 2024

Dear Religious School Families:

There was so much happening inside and outside this Sunday, from harvesting and cooking to crafts, costumes, and mitzvah projects!

- K & 1 families, be sure to ask your children about the crowns they made and the upcoming holiday of Purim.
- 3rd-6th grade families, I hope you enjoyed the goodies sent home. Ask your children about what makes Jewish food unique and be thinking about a recipe from your own family legacy to share with us!
- 7th grade families, ask your children about righteousness and justice. They will continue to have more to say about these important concepts for the remainder of year as they engage in research about Righteous Gentiles and a variety of mitzvah projects.

As our 3rd-6th graders continue to explore Jewish immigration and family stories they will be doing a LOT of cooking and learning about how Jewish food helps tell the stories of our families. Learn more about the history of kugel and see the recipes our learners made on Sunday in the link below. If you have recipes from your family you wish to include in our collection/cookbook, please don't hesitate to share!

Parents can participate in a mitzvah project this week at the Stay and Schmooze. Learn more about the Family Gateway and help us sack snacks! Sign up here to donate items <http://tinyurl.com/marchgateway>
