APRIL 10, 2024

Friends,

We are just one month away from the end of the school year and there is still so much **joy** to share and so much to learn together.

This week our Pre-K-1st grade learners spent time preparing for our Festival of Spring/Passover by spending time outside and inside! Be sure to ask your learners what they saw in the garden!

2nd graders focused on the 10 plagues. Make sure to ask them which they thought was the grossest!

3rd-6th graders continued their exploration of family stories with a recipe shared from Dylan Kort's family. The recipe was shared in the Family Cookbook which will be revealed at the Family Food Fair on May 5th. Don't forget to send in your family recipes by the 21st. Be sure to discuss which recipe to share with your child and make sure to schedule time to cook and prepare your dish to share on the 5th!

7th graders continued their learning about righteousness and justice by making something VERY SPECIAL they will be gifting to the Temple on their last day of Sunday classes on May 5th. Parents mark your calendars to see your children be celebrated and to hear about the gift they made.

This Sunday is **Passover University!** **Passover University** is a day for families to learn together during our regular 9:30-12 Sunday time. Every one of the over 20 classes we are offering is intended to help you find something new and special to bring to your Passover celebrations.
