

Community Involvement

"Do Not Separate Yourself From The Community" – Passover Haggadah

Temple Shalom is a proud member of the greater Dallas community and we joyfully work toward making our neighborhoods, our state and our world a better place. The Jewish value of *Tikkun Olam* – healing the world – is expressed through our efforts at feeding the homeless, working with our Green Team focusing on environment issues, developing our new Justice Garden or joining with others across the country to advocate for change. One thing is certain – by working together we can make a difference.

Join Our Temple Family

Temple Shalom is a warm, loving and nurturing home for all who are seeking meaningful connections with others, who are searching for programs and opportunities that help and heal our community, and who are exploring the texts of Jewish tradition. Our Temple welcomes the beautiful diversity of families and individuals as we journey together seeking to enrich our lives through the three historic aspects of synagogue life – a house of prayer for meaningful worship, a house of study for meaningful learning, and a house of connection for meaningful gathering. We look forward to seeing you soon!

Our Mission Statement

Temple Shalom builds holy community, connecting our congregation to one another, to God, Torah, Israel and the Jewish people through worship, study, gathering and community service.

TEMPLE SHALOM

Meaningful Worship

Shabbat and holidays are beautiful experiences at Temple Shalom that allow us to connect with family and friends, recharge our souls after a busy week, and lift our hearts and spirits with the blessings and music of our Tradition. Joining together with Rabbi Paley and Mandy Monreal, our Coordinator of Music and Composer in Residence, for Kabbalat Shabbat and holidays is a joyful, inspiring and enriching time for hearts and minds. We look forward to sharing blessings with you every week!

Our Munchkin Minyan is a fun-filled, joy-filled, friend- and family-filled monthly service for our community with children ages seven and under. Families enjoy a morning with singing, crafts, learning and laughing.

"Temple Shalom is a loving family where meaning-making, mensch-making and memory-making take place on a thrilling Jewish journey. The discovery of Judaism's depth and beauty, of hope and healing, shared with family and friends is a treasured experience."

Rabbi Andrew Paley

Meaningful Learning

"Jewish learning is not just what we know, it's who we are."

At Temple Shalom, we believe Jewish learning is a lifelong journey where we seek to engage Jewish texts and tradition in new and dynamic ways. From our youngest learners at our Tots Academy and Munchkin Music, to our students in grades K-12, to our adult learners, each moment of connection with our tradition is a moment to link our lives and spirits to one another, to the Jewish people and to God.

"Jewish learning at Temple Shalom opens the eyes of learners to wonder and joy through the exploration of Jewish tradition. We are here to support each learner on their individual journey of discovery and to help them build and connect to holy community at every step along the way."

Deborah Niederman, RJE
Director of Lifelong Learning

Each week of each month brings opportunities for learning – sermons and presentations at worship, Torah study, Lunch and Learn, Introduction to Judaism, Sunday Pre-K-12, evening presentations, Israel learning and so much more! We look forward to learning with you and your family!

Meaningful Gathering

Through Sisterhood, the women of Temple Shalom are inspired to build enduring relationships with each other, with our Temple family and with Sisterhoods across the country. Dynamic programming centers around fellowship, education, service, and support. Offering a variety of events for all ages including book clubs, game nights, virtual happy hours, gatherings to celebrate each new Jewish month, health and wellness opportunities, Temple Shalom Sisterhood is a place for wonderful and meaningful gatherings.

Our Temple Shalom Brotherhood is an amazing group of men who work tirelessly for our Temple Shalom family supporting education, Israel, the Jewish people and especially the young people at Temple Shalom.

In addition, Temple Shalom Brotherhood provides ushers for worship services, organizes blood drives, builds the Sukkah, sponsors the Second Night Passover Seder, and much more. Brotherhood offers a wide range of programs which makes for a truly dynamic wonderful place for meaningful gathering.
